 **Jitsi.org**
Using Jitsi to contact a relative in Hospital

Using Jitsi on a mobile device (preferred option)

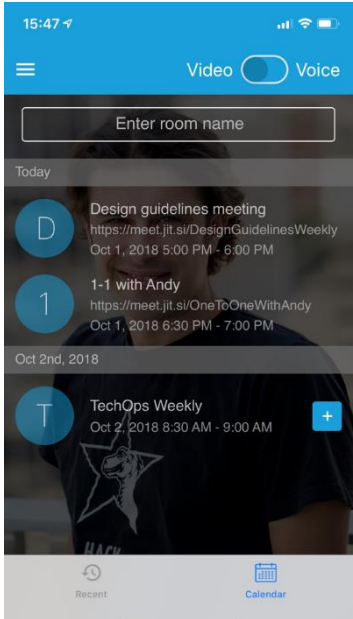

If using a tablet or phone to contact a relative via video, please visit the Apple App store or Google Play Store to download the app named 'Jitsi Meet'

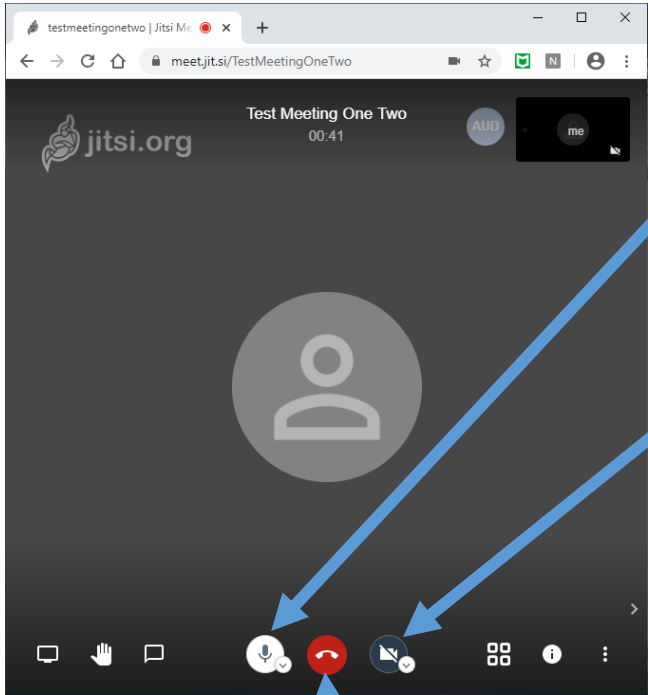

Open the Jitsi Meet application on your mobile phone or tablet and you will be presented with the screen shown to the right of this text.

In the box that states 'Enter Room Name' please type in the 4 word phrase give to you by the ward nurse

Once you have entered this, please click 'Create / Join room'

You will then be presented with the following screen:

Enable / Disable Audio

Enable / Disable Video

End the call

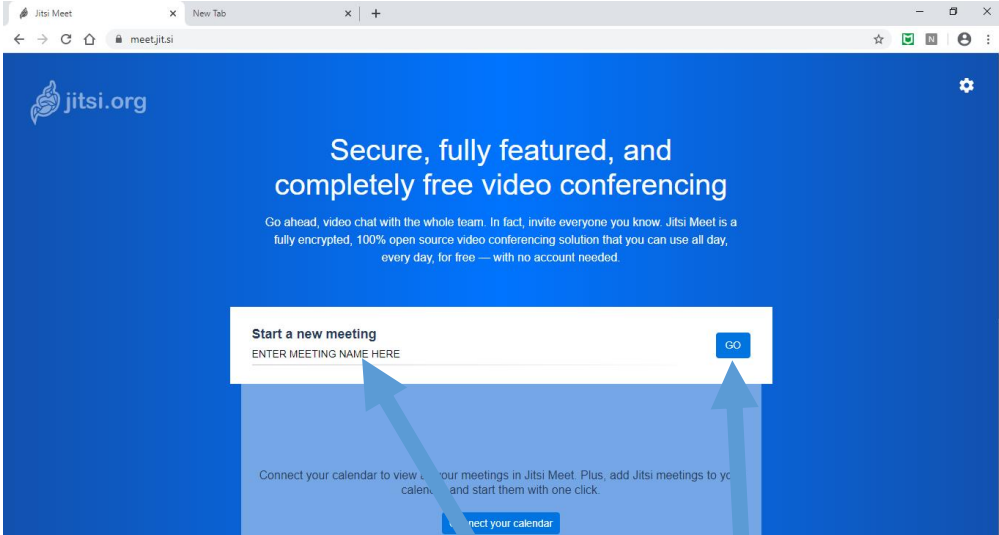

NOTE:
PLEASE ENSURE THAT YOU CLICK THE END CALL BUTTON AT THE END OF THE CONVERSATION TO CLOSE THE CALL

Using Jitsi on a computer (Google Chrome)

Open your web browser and visit:

<http://meet.jit.si/>

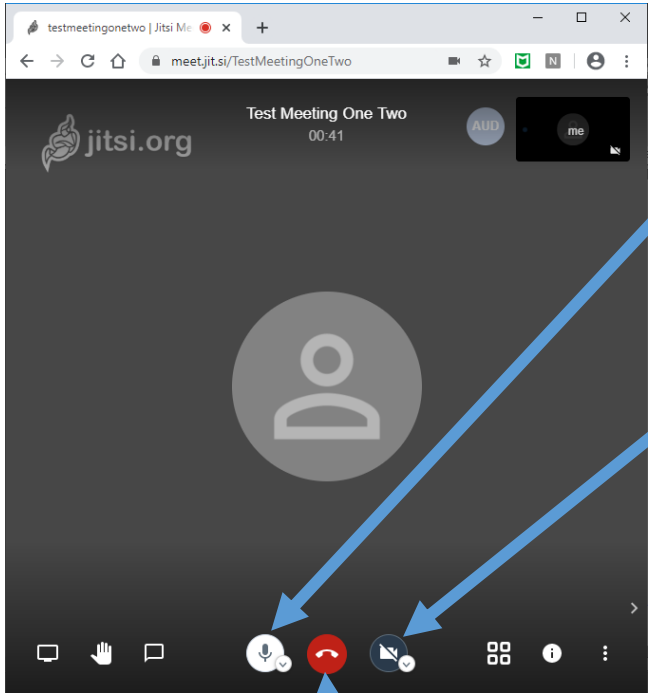

Type the room name provided by the ward and click 'Go' to join the video chat

Enter room name provided by the ward

Click 'go' to start the video call

You will then be presented with the following screen:

Enable / Disable Audio

Enable / Disable Video

End the call

NOTE:
PLEASE ENSURE THAT YOU CLICK THE END CALL BUTTON AT THE END OF THE CONVERSATION TO CLOSE THE CALL
